Para No.

From pre-page:-

In this context, it is to add here that a similar representation was made by Shri. Sunshil Mondal, Zilla Parishad, Madhupur to revise the timing of bus leaving from Diglipur to Port Blair, which may please be seen at page 6/C and dealt at para 14 to 22C please.

46

In the light of the above paras it is submitted that as per the notified Jarawa Policy, AAJVS acts a nodal agency to implement the programmes / guidelines laid down for the welfare of the Jarawas. As such, revision of convoy is a policy decision to be made by of the A&N Administration. AAJVS being an autonomous body is not empowered to take decisions involving public interests.

47

Therefore, it is proposed that we may refer the matter to A&N Administration to take necessary action as was done in past instances too.
