

6. A decision may be taken with regard to allowing vehicles to cross Parlobjig No. 15 towards Parlobjig No.3 at 04.00 A.M., so that public vehicles coming from North Andaman side can catch the first convoy at Middle Strait at 06.30 A.M. There is no objection from our side in this regard, However, this being a policy decision, on restriction of movements of Non- Tribals and vehicular traffic in the Jarawa Reserve Area, regulated as per Jarawa policy framed on the directions of Hon'ble Supreme Court and High Court orders, a suitable decision may be taken by the A & N Administration.

Yours faithfully,

(K. Muralidharan Pillai)
Dy. Superintendent of Police (HQ)
