

OFFICE OF THE SUPERINTENDENT OF POLICE

Andaman District

Port Blair dated 7th March, 2009

To

The Secretary (Tribal Welfare)
A & N Administration
Port Blair

Sir,

I am to inform that a letter from the Director, (AH & VS), Directorate of Animal Husbandry & Veterinary Services enclosing therewith a copy of letter submitted by Shri. H.N.Arora, President Andaman Chamber of Commerce & Industry, Port Blair addressed to Development Commissioner, (AH) (Copy enclosed) has been received in this office on 06/02/2009 regarding Permission for allowing the vehicles carrying live chicken to North & Middle Andaman along with the convoy of 6 AM from Jirkatang No.2.

The Director (AH & VS) has stated that some of the members of the Andaman Chamber of Commerce are regularly transporting live broiler chicken to North and Middle Andaman for sale to the general public. If the birds are transported late in the morning, the atmospheric temperature becomes higher, resulting in high mortality of the birds due to dehydration and sun stroke which may result in shortage of broiler chicken in North & Middle Andaman, and requested to allow the vehicles carrying live chicken to go with the convoy of 6 AM starting from Jirkatang No.2.

In this regard, it is stated that the convoy timings as well as classification in practice is governed by the terms of A&N Administration's Circular F.No.1-836/2004-tw dated 16th March, 2004 and as per the same, the 0600 hrs. Convoy is exclusively meant for passenger vehicles (Copy of Circular is enclosed).

Hence, if the recommendation of the Director (AH&VS) is considered, the aforesaid circular may be amended accordingly and circulated for implementation.

Yours faithfully,

Superintendent of Police
Andaman District
