**Sub :- Permission for allowing the Vehicle carrying live chicken by 06.00 AM
convoy - Reg.**

Sir,

I am to invite a reference to letter No. Nil dated 31st December 2008 by the President, Andaman Chamber of Commerce (copy enclosed) addressed to the Development Commissioner (AH), A & N Administration and to inform that some of the member of the Andaman Chamber of Commerce are regularly transporting live broiler chicken to North and Middle Andaman for sale to the general public. If the birds are transported late in the morning the atmospheric temperature becomes higher, resulting in high mortality of the birds due to dehydration and Sun Stroke and making it an unviable proposal which may result in shortage of broiler chicken in North & Middle Andaman.

It is, therefore, requested that the Vans carrying live chicken may kindly be allowed by the 06.00 AM convoy starting from Jirkatang No. 02.

Yours faithfully,

Director (AH & VS)
