

(10)

give discretion to the Master of boats to give tickets on the boats itself to cater such cases as well as other emergency cases.

4. Since, the proposed system requires a person to approach two different agencies viz. Police and DSS, instead of only one agency presently, before planning journey on ATR, it may face public resistance. Thus it is suggested that first a public opinion should be obtained on it.

Yours faithfully,

13/8/13
Dy. Superintendent of Police/HQ
Andaman and Nicobar Islands.
