

F. No. SVO/VHC/VAS/JG/2009-10/37
ANDAMAN & NICOBAR ADMINISTRATION
DIRECTORATE OF ANIMAL HUSBANDRY & VETERINARY SERVICES
PORT BLAIR

Dated: 20/01/2010

To

The Secretary (TW),
Andaman & Nicobar Administration,
Port Blair.

Sub: - A.T.R Check Post crossing permission of the departmental vehicle- reg.

Sir,

I am directed to inform that the staff of Animal Husbandry & Veterinary Services department, is regularly visiting Middle and North Andaman for distribution of Liquid Nitrogen which is a Non-inflammable, Non-toxic but highly Perishable item, i.e. it evaporates very fast, causing economic loss to the Government property if not transported early.

Therefore it is requested to kindly permit the Departmental vehicle carrying Liquid Nitrogen to cross the Check Post (Jirkatang & Middle Strait) along with the first passenger convoy for onward and return journey, because it carries the undelivered Liquid Nitrogen back to the unit.

Your kind help will save the Government property and better public services.

Encl:- One Leaf

Yours faithfully

Dr. A. K. Bardhan
Senior Veterinary Officer (AH)
Veterinary Hospital Complex, J/ghat
Junglighat, Port Blair

Copy Submitted to:-

1. The Director of Animal Husbandry & Veterinary for information.
