

**3. Health care for the Jarawas:-**

It was decided to constitute a Standing Medical Team consisting of Doctors and Technical staff of Directorate of Health Services and officers of the Directorate of Tribal Welfare and AAJVS to conduct the periodic health survey of the Jarawas in South & Middle Andaman and providing such treatment as may be necessary. Accordingly a draft order was finalized at the above meeting and the same is placed at Flag 'C' for perusal and approval please.

Submitted please.
