

As per the provision at Sl.No.IV "Regulation on Traffic on Andaman Truck Road" contained in the policy on Jarawa Tribe of Andaman Islands (a copy of Jarawa Policy is placed at page 40-43/c), framed on High Court Order in consultation with the experts and notified with the consent of the Government of India, the traffic on ATR will be regulated strictly limiting the traffic to the essential purposes of public transport, supplies and emergency evacuation of patients to avoid any sort of interaction of travelers with Jarawas. Keeping in view the above provision, the existing schedule as proposed to be modified vide para 49/n on page 15-16/c may be considered, as the Administration has earlier agreed only to re-schedule the convoys (change their timings) and not for addition of any more convoys. If approved, the revised circular to be issued with the approval of Administrator, is placed opposite in the file for perusal and approval please.
