Sub: - Issue of regular tourist permits to North/Middle Andaman for the Tourist vehicles registered in South Andaman Reg:-

Respected Sir,

With reference to our discussion with your good self regarding the issue of Tourist Permit once in Six months to the tourist vehicles of South Andaman is acting as bottleneck for the growth of hospitality industry in North and Middle Andaman. As you know that many local entrepreneurs have invested huge money in this sector and face great difficulties for taking their guests to North and Middle Andaman and such restrictions are not conducive for the growth of tourism industry which is the life line of A & N Islands.

There-fore I request your good self to be kind enough to advise the concerned office to remove the restriction of issuing permit once in six months and issue permit as per the requirement of the tourist operators on usual payment.

Yours faithfully,

K.N.Suresh
