Sub: Recent changes in Convoy numbers and timing

Sir,

Previously when there were 8 convoys then also there had been acute rush of vehicles specially at Middle Strait and Gandhi ghat when the boats could not accommodate all the waiting vehicles. Private and government four wheelers had to wait for its turn for more than a hour while the goods trucks etc to wait for 6 to 8 hours. Now the cutting short of 8 convoys to only 4 and changing of time have become a acute problem for the general public, vehicle owners and specially for the patients.

This has been stated that this cutting short of convoys have been applied as per the Hon'ble Supreme Courts orders and the general public wants to know what is the actual verdict of the Hon'ble Supreme Court and why the same has not been placed before the general public.

Hence we record our strong protest for cutting short of the number of convoys and changing of timings without bringing the Hon'ble Supreme Courts verdict before the public and we demand that a copy of the said order may be made available to this office immediately.

An immediate reply is solicited.

Yours faithfully

VISHAL JOLLY
