

NOTE

To regulate and further reduce traffic on the two sections of the Andaman Trunk Road (ATR) passing thorough the Jarawa Reserve, it has been decided that use of ATR by government vehicles needs to be minimised. And therefore only those officials who are posted in North and Middle Andaman District and have work in the Middle and South Andaman and such officials posted in Port Blair/South Andaman and have permission to go on official tour to North and Middle Andaman will be permitted to take their vehicles on the sections of ATR passing through the Jarawa Reserve. HODs are to take necessary action in this regard and permit such travels only in cases where it becomes absolutely necessary. A circular may please be issued by the General Administration to this effect.
