Respected Sir,

Sub: Depletion of forest land under Recognition of Forest Rights Act 2006 in  
the country - Regarding Sir.

Please let me draw your kind attention to the declining forest cover in our  
country. As a citizen of this country and responsible social activist committed to  
human rights my duty is to object to declining forests which pave for environmental  
and ecological degradation.

The government has accomplished a step further by recognizing the ignored  
rights of traditional forest dwellers and others under "The Recognition of Forest  
Rights Act 2006" (RoFR Act 2006). The act is commendable to accommodate genuine  
beneficiaries.
