

Coordinates

1.13deg 37.890 min North latitude,

2.93 deg 02.871 min East longitude.

At elevation of about 330 mts above MSL.

Considering the topography of the land and the previous allotments of land by revenue department in the year 1963, for installation of the radar station a patch of land measuring an area of 8 mts x 10 mts (80 sqmts) have been demarcated by laying pegs besides the existing quarters constructed for the department of Light houses and Light ships.

Details of revenue allotment in the Island in the year 1963 to Department of Light houses & Light ships are as under:-

Revenue land measuring an area of 562500 sqft allotted vide D.C. Andaman & Nicobar Islands Order No. 4/112/7045/G dtd.14.10.1963 and D.C. Andaman & Nicobar islands Order No. 4/112/1029/G dtd. 02.02.1963 of an area of land 2787 sqmtr. for construction of well and footpath.

The site demarcated for the Coast Guard authority measuring an area of 80sqmt have been selected in such a way that there is barest minimum clearing of vegetation which includes only Shrubs and Herbs of Murraya species and Eupatorium species. The sites have been ear-marked properly and therefore suggested for allotment in favour of Indian Coast Guard considering the security oriented development. The map of the area locating the existing buildings and the site for allocation is enclosed herewith.
