Procurement of Multi- functioned Printer cum Photo copier for the use of Forest sub station			1.00			
TOTAL		85.50	4.00		24.00	1.50
Procurement of two wheeler for Beat Protection	5	3,00		5	3.00	
Procurement of Mini Truck (TATA Xenon) for road side plantation work and other afforestation activities in the Division	2	24.00	er en	: L	12.00	24 , 4 5
Water Tanker for watering road side plantation, CA land and for dealing with forest fire accidents	1	20.00		1	19.00	
Construction of Engine Dingy for protection	2	4.00		2	4.00	,
Procurement of RIB for intensification of patrolling in seas	1.	30.00				- sa nonnece
Procurement of GPS for demarcation of boundaries of beats and other forest related activities etc	10		2.00	10		2.00
Procurement of binocular's marine binoculars terrestrial telescopes etc for monitoring purposes of CAMPA lands and other forest area	10 -		5.00			
Procurement of search lights, commando lights, long range torches, solar lights etc for night patrolling in Forest Beats and Ranges	20	5.00		10	2.50	
Procurement of Public Addressing System, Mega Phone etc for publicity and Monitoring Purpose	5		10.00			
Procurement of Hagg Altimeter, Diameter tape, A Clinometer, Vertex IV, PH-Meter, Thermometer for the use of surveys and calculating carbon	LS		10.00		2	
	functioned Printer cum Photo copier for the use of Forest sub station TOTAL Procurement of two wheeler for Beat Protection Procurement of Mini Truck (TATA Xenon) for road side plantation work and other afforestation activities in the Division Water Tanker for watering road side plantation, CA land and for dealing with forest fire accidents Construction of Engine Dingy for protection Procurement of RIB for intensification of patrolling in seas Procurement of GPS for demarcation of boundaries of beats and other forest related activities etc Procurement of binocular's marine binoculars terrestrial telescopes etc for monitoring purposes of CAMPA lands and other forest area Procurement of search lights, commando lights, long range torches, solar lights etc for night patrolling in Forest Beats and Ranges Procurement of Public Addressing System, Mega Phone etc for publicity and Monitoring Purpose Procurement of Hagg Altimeter, Diameter tape, A Clinometer, Vertex IV, PH-Meter, Thermometer for the use of	functioned Printer cum Photo copier for the use of Forest sub station TOTAL Procurement of two wheeler for Beat Protection Procurement of Mini Truck (TATA Xenon) for road side plantation work and other afforestation activities in the Division Water Tanker for watering road side plantation, CA land and for dealing with forest fire accidents Construction of Engine Dingy for protection Procurement of RIB for intensification of patrolling in seas Procurement of GPS for demarcation of boundaries of beats and other forest related activities etc Procurement of binocular's marine binoculars terrestrial telescopes etc. for monitoring purposes of CAMPA lands and other forest area Procurement of search lights, commando lights, long range torches, solar lights etc for night patrolling in Forest Beats and Ranges Procurement of Public Addressing System, Mega Phone etc for publicity and Monitoring Purpose Procurement of Hagg Altimeter, Diameter tape, A Clinometer, Vertex IV, PH-Meter, Thermometer for the use of	functioned Printer cum Photo copier for the use of Forest sub station TOTAL Procurement of two wheeler for Beat Protection Procurement of Mini Truck (TATA Xenon) for road side plantation work and other afforestation activities in the Division Water Tanker for watering road side plantation, CA land and for dealing with forest fire accidents Construction of Engine Dingy for protection Procurement of RIB for intensification of patrolling in seas Procurement of GPS for demarcation of boundaries of beats and other forest related activities etc Proburement of binocular's marine binocular's terrestrial telescopes etc for monitoring purposes of CAMPA lands and other forest area Procurement of search lights, commando lights, long range torches, solar lights etc for night patrolling in Forest Beats and Ranges Procurement of Public Addressing System, Mega Phone etc for publicity and Monitoring Purpose Procurement of Hagg Altimeter, Diameter tape, A Clinometer, Vertex IV, PH-Meter, Thermometer for the use of	functioned Printer cum Photo copier for the use of Forest sub station TOTAL Procurement of two wheeler for Beat Protection Procurement of Mini Truck (TATA Xenon) for road side plantation work and other afforestation activities in the Division Water Tanker for watering road side plantation, CA land and for dealing with forest fire accidents Construction of Engine Dingy for protection Procurement of RIB for intensification of patrolling in seas Procurement of GPS for demarcation of boundaries of beats and other forest related activities etc Proburement of binocular's marine binoculars terrestrial telescopes etc for monitoring purposes of CAMPA lands and other forest area Procurement of search lights, commando lights, long range torches, solar lights etc for night patrolling in Forest Beats and Ranges Procurement of Public Addressing System, Mega Phone etc for publicity and Monitoring Purpose Procurement of Hagg Altimeter, Diameter tape, A Clinometer, Vertex IV, PH-Meter, Thermometer for the use of	functioned Printer cum Photo copier for the use of Forest sub station TOTAL Procurement of two wheeler for Beat Protection Procurement of Mini Truck (IATA Xenon) for road side plantation work and other afforestation activities in the Division Water Tanker for watering road side plantation, CA land and for dealing with forest fire accidents Construction of Engine Dingy for protection Procurement of RIB for intensification of patrolling in seas Procurement of GPS for demarcation of boundaries of beats and other forest related activities etc Procurement of binocular's marine binoculars terrestrial telescopes etc for monitoring purposes of CAMPA lands and other forest area Procurement of search lights, commando lights, long range torches, solar lights etc for night patrolling in Forest Beats and Ranges Procurement of Public Addressing System, Mega Phone etc for publicity and Monitoring Purpose Procurement of Hagg Altimeter, Diameter tape, A Clinometer, Vertex IV, PH-Meter, Thermometer for the use of	Functioned Printer cum Photo copier for the use of Forest sub station TOTAL Procurement of two wheeler for Beat Protection Procurement of Mini Truck (MATA Kenon) for road side plantation work and other afforestation activities in the Division Water Tanker for watering road side plantation, CA land and for dealing with forest fire accidents Construction of Engine Dingy for protection Procurement of RIB for intensification of patrolling in seas Procurement of GPS for demarcation of boundaries of beats and other forest related activities etc Procurement of Search lights, commando lights, long range torches, solar lights etc for night patrolling in Forest Beats and Ranges Procurement of Public Addressing System, Mega Phone etc for publicity and Monitoring Purpose Procurement of Hagg Altimeter, Diameter tape, A Clinometer, Vertex IV, PH-Meter, Thermometer for the use of
