

**Presentation by Goa:**

The State has no finally rejected FRA claims for ST communities and has 2 cases for OTFD at DLC level. Number of finally rejected cases which would can lead to eviction is NIL. The reasoned orders have not been passed, however the Gram Sabha /SDLC/DLC resolution has been recorded in writing. The reason of rejection is mentioned in the minutes of meeting of Gram Sabha/SDLC/DLC. The rejection orders have not been served to the claimants. The DLC/SDLC has decided to take a suo-moto review of the rejected claims.

**Presentation by Gujarat:**

Total 13,715 forest claims have been rejected finally in the State by DLC. After the completion of process of review, final number of eviction cases will be arrived at. Rejected Claims of Surat, Bharuch and Sabarkantha District claims are given to the Deputy Conservator of Forest for Review.

**Presentation by Himachal Pradesh:**

Total 2319 FRA claims have been filed in the State and out of which 47 claims of STs have been rejected so far at DLC level. Claimants were intimated in writing and were given opportunity to adduce evidence in the support of their claims, therefore no suo- moto review has been undertaken. Number of finally rejected cases which lead to eviction is 47.

**Presentation by Jharkhand:**

As of now 1,10,756 claims have been received in the State out of which 1,07,032 are individual claims and 3,724 are community claims and total 28,107 claims have been rejected at all levels. Report from districts of 13,009 rejected claims have been received in which 117 found fit to be recognized as per FRA and issuance of rights.
