

### Civil Supplies

- Godowns should be constructed in places, wherever required to stock three months ration provisions.

**ACTION: Secretary (Civil Supplies) and Director (Civil Supplies)**

### Social Welfare

- Social Welfare Deptt., may examine the schemes of the neighboring States/UTs for providing Old age pension/Widow pension and schemes for destitute /abandoned Women and suggest appropriate schemes for A & N Islands.
- Similarly wages given to Anganwadi workers in other States/UTs should be examined and processed for decision.
- Department to focus attention on welfare of Physically Handicapped Person.

**ACTION: Secretary (Social Welfare) and Director (Social Welfare)**

### Police

- Police Deptt., should review the existing designs for construction of police stations, outposts and make changes to make the designs more economical and eco-friendly.
- Vacant buildings in various islands should be used for setting-up Marine Operation Centers.

**ACTION: DGP**

### Forest

- Timber should be made available in all islands at uniform rates.
- Up-gradation/modernisation of Chatham Saw Mill.

**ACTION: PCCF**

### Revenue

- Opening of Stone Quarries at Campbell Bay, Kamorta, Little Andaman, Baratang and in other places will reduce the Civil construction cost. Revenue department may examine this for early decision.

**ACTION: Secretary (Revenue)**

### General

- All departments should bring out pamphlets disseminating information on schemes and services delivered to the public in Multi-language and such pamphlets should be given wide publicity amongst the masses.
- All Departments should ensure proper utilization of funds and reduce expenditure on construction of buildings. Existing designs for buildings should be reviewed and made need based, economical and eco-friendly.
