

4. The recent public private partnership initiative taken by the Government of Karnataka in such high-end sunrise sectors have come to the notice of this Ministry. They have started various training courses after a competitive exercise and deliberate effort to have minimal possible costs. This Ministry would like similar or better initiatives by other States also.
5. The focus of Special Central Assistance is to bring in economic development through occupational diversification and professionalization in a changing market situation. The development approach of the Governments therefore needs to change with the changing course of Indian economy. The States need to identify the activities according to their felt needs and support them through Special Central Assistance if they fit into the broad mandate of the scheme.
6. With these amplifications, the State Governments/UT Administrations are requested to open up more avenues for the SC youth to prove their potential and excellence in high-end income generating activities.
7. These guidelines will come into effect/introduced from 2007-08
8. This issues with the approval of competent authority.

Yours sincerely,

  
(Arvind Prasad)

Joint Secretary to Government of India
