 5. No such guidelines.
 6. NA.
 7. NA.
 8. NA.
 9. NA.

10. The TSP of the UT Administration is prepared by the heads of the respective sectors. The TSPs are discussed before the District Planning Committee and approved by the Administration. The Tribals Welfare department Co-ordinates the Tribal Sub Plan and monitors its implementation.

11. to 27 Pertains to State level.

28. & 29 In Nicobar District DRDA and ITDA both exist. But they are not co-terminus. There is some revenue area which is not covered by ITDP. There is no lack of co-ordination between these schemes due to following reasons:-

- a) Both the agency are involved in different activities.
- b) DRDA implements schemes like IAY SGRY, SGSY etc. which are centrally sponsored schemes under MoRD. The main aim is to create employment generation by targeting BPL population and construction of houses at total subsidy.
- c) While ITDA is implementing SCA and Vocational Training Centre for ST students. Under SCA different items are provided at 50 % subsidy for housing and different purposes. Under Vocational Training computer education is imparted.
- d) The Chairman and Project Director of both the schemes are Deputy Commissioner and Assistant Commissioner (HQ) respectively. (Ex-officio)

Hence both the schemes are co existing and fulfilling their purpose satisfactorily.

30. No Comment

PERSONNEL POLICY

Point No. 1-2 No comment as it Pertains to State level.
