

TRIBAL SUB-PLAN STRATEGY

1. The Tribal Sub-Plan (TSP) concept envisages the following four ingredients:

- (i) Identification of the block, where there has been concentration of ST population and their aggregation into projects designated as ITDs/ITDAs etc. If in your state any other unit has been adopted, it may be indicated.

No

- (ii) Earmarking for TSP areas of financial resources pooled from Central State and other sources e.g. Central Plan, State Plan, and financial institutions, Non-plan.

In the state plan and Special central Assistance

- (iii) Preparation for each ITDP/ITDA of an integrated multi-spectral project report covering protective, developmental and regulatory aspects for the area and the people, taking into consideration the human and material resources of the project area.

Not applicable

- (iv) Putting in place a techno-administrative apparatus suitable for the area and the people. To what extent have these ingredients been incorporated in the concept of your ITDPs / ITDAs and Tribal sub-Plan and to what extent are they being followed?

Not applicable.

2. What is the total population of STs in your state as per 1991 census and 2002 census?

Not available with this department which may be collected from Census Department.

3. Please list the number and names of blocks in each of the ITDPs/ITDAs in your State showing the date of establishment of such projects, population coverage in the blocks indicating break-up into STs and non-STs.

Not applicable.

4. Earlier there was the procedure of preparing project reports for each ITDP/ITDA. Either the Project Officer of ITDPs/ITDAs or officers of the Tribal Research Institutes used to prepare the project reports and they were discussed at the state level. The project reports used to be finalized after discussion between the State and the Central authorities. Please explain the procedure being followed at present for preparation of project reports. If the aforesaid procedure has been discontinued, please mention the reasons why. Further, also indicate whether you will not like to follow that procedure.

Tribal sub plan and Special ,central assistance are preped with the approval of Tribal welfare department of A & N Islands

5. Have the State Government issued any guidelines for preparation of project reports of ITDPs/ITDAs? If so, please enclose copy or copies thereof. If not, would you consider of such guidelines?

Not applicable

6. Have project reports been prepared for each ITDP/ITDA and, if so, for which period/ periods? Who has/have prepared them? Who have been associated in their preparation?

Not applicable

7. Do the project reports reflect area-specific and tribe-specific formulations? Please explain, giving examples.

Not applicable
