24. The main objective of grant of SCA by the Centre to the States has been to provide a critical financial input as a gap-filler in case of deficiency for schemes and programmes relating to income generation, so that the ST families can rise above the poverty-line. In this context, an analysis needs to be made of how SCA funds in particular and TSP funds in general have been utilized for (a) family-benefiting schemes (b) social service sector schemes and (c) scheme for raising the level of infrastructure in tribal areas. This was done in a booklet entitled, "Tribal Development in Retrospect and Prospect: Sixth Plan Mid-Term Appraisal" (1983) published under the aegis of the Ministry of Home Affairs. Please state whether your State has made any such analysis and evaluation. If you, with what results? Has the analysis resulted in modifications of the inter-sectoral allocations as also of the relevant schemes and programmes? If not, why not?
