

Does the personnel policy envisage-

- (a) Emphasis on recruitment of selection of suitable persons of all departments with proper qualifications and aptitude for working among tribal people and tribal areas? -

No.

- (b) Grant of incentives to those belonging to concerned departments posted in TSP areas? If so, furnish details-

No.

- (c) Certain stipulations at the time of appointment, deputation etc, like minimum tenure for three of five years for working in tribal areas?

No.

- (d) Creation of sub-cadres in the concerned departments of personnel for tribal areas?

No.

- (e) Inclusion of the subject of tribal development in the academic and training courses of the concerned departments?

No.

EVALUATION

1. Has any bench-mark survey or have surveys for tribal areas in your state been conducted? Is it or are they proposed? Give details -

No bench mark survey has been conducted by this department.

2. Have the State Government made use of the data? If so, in what way? If not, what is proposed in this direction?

In view of the answer at (1), Not applicable.

3. Have periodic evaluations been undertaken in your state of ITDPs/ITDAs and TSPs? If so, by what agencies? Please mention whether the agencies were government or non-government?

Not applicable.

4. The Commission is interested in knowing the main observations and findings of the evaluation studies, particularly those undertaken by Independent agencies during the Fifth to Ninth Five Year Plan periods. Please make out tabular statement showing the salient observations in the areas/subjects of the study, findings and action taken on each. Please highlight the observations of the Programme Evaluation Organisation of the
