

39. If so, have the contents been prepared with due deliberation and thought? This question needs emphasis as the powerful electronic media contain the potential of disorientation of traditions and culture change. Have the State Government looked into it carefully? Please explain fully.	Doordarshan, Port Blair is recording and telecasting the available talents among the tribal people residing at Port Blair. Occasionally the recording team is sent to Car Nicobar to record the traditional song and dances. Nothing has been projected against the tradition and customs of tribals from Doordarshan, Port Blair.
Computers 40. Computer is another means which has affected western life deeply and is in the process of touching Indian life in many spheres. In the tribal areas, it can be put to very good use. Some Panchayats have used it for display and dissemination of data concerning markets, revenue records etc. Please indicate the extent to which computerization has been adopted for various purposes in tribal areas and the ways the State Government propose to deploy it.	The department of Information and Technology in co-ordination with Dr. B.R.Ambedkar Polytechnic, under World Bank Project will be installing a V-SAT at Nicobar Tehsil for the purpose of education, Internet and Community information centre. The civil works of the project is expected to be completed by March, 2004. This Project will cater to the needs of the tribal people of Nicobar Tehsil.
