

18. There are certain issues relating to the tribals which concern more than one state, mostly neighbouring states. The Ministry had issued instructions to the effect that for such issues, joint approach by the Directors of the concerned TRIs should be made. What action has the state taken in this regard?	
19. The TRIs have been expected to issue quarterly, half-yearly or annual journals carrying scientific papers. Has the TRI of the state been publishing these journals regularly? Please give an account of the issues missed in the last five years.
