

<p>3. Please state the different institutions in your state totally and partly dedicated to tribal development training, evaluating their performance during the last ten years.</p>	Not Applicable
<p>4. What courses are run in these institutions? Please state the course contents and structured modules. Please check with reference to the seven items of course contents referred to by the Dhebar Commission in para 26.13 of their report.</p>	Not Applicable
<p>5. Briefly state the fields of qualification and competence of the training staff, particularly with reference to both the theoretical and practical aspects. Do the institutions invite guest lecturers for supplementing the training capacity specifically in the practical field?</p>	Not Applicable
<p>6. Are the training institutions properly equipped in the matter of literature (books, periodicals etc.), maps, charts in respect of the different tribal groups found in your state? Is diversity of the different tribal groups taken into full consideration?</p>	
<p>7. Are the different institutions properly housed? Do they have hostels for trainees and/or accommodation for out-station guests?</p>	Not Applicable
<p>8. What are the different categories of personnel being trained in the state? Do these cover both the generalist and specialist types? Examples of the former would be State Civil and Administrative Services. Examples of the latter would be those belonging to agriculture, horticulture, animal husbandry, engineering, forest, excise, police, health, education and such other services.</p>	Not Applicable
<p>9. Please list out the personnel of different categories trained in the different institutions of the state during the last five years, indicating the duration in each course.</p>	Not Applicable
<p>10. Please add a column in the statement indicating the way in which these personnel were deployed after the training. In how many cases, they were put on a different track?</p>	Not Applicable
