

Sixth Schedule in the Bodo area? What is the position? Please explain with reference to the population and distribution of the different ethnic groups in the concerned districts.	
45. It is presumed that in plains tribal areas, PESA Act 1996 has been applied and the three-tier Panchayat structure has been set up. In any case, please give a description and indicate the quality of their performance.	-do-
46. The Mishing, Tiwa and Rabha Councils were set up through a State law. A single-member Committee had examined their functions and performance and made certain recommendations. The Commission would like to have an account of their functions and performance from the State Government.	-do-
47. According to information available at the sub-district level in the district of Karbi Aglong, traditional and hereditary Karbi institutions of Hawet and Pinpoships exist still, wielding considerable influence though devoid of any legal status or official recognition. Please indicate the position. Also mention (i) at what tier or tiers they exist (ii) what authority they wield vis-a-vis official organizations like village officers, block office and district offices (iii) whether any Constitutional Panchayat body exists or, bodies exist side by side (iv) whether the State Government feel the necessity of other bodies in different tiers?	-do-
48. The organizational structure below the ADC in the North Cachar District is not clear to the Commission. Please delineate it.	-do-
Meghalaya	
49. According to information available, the traditional leaders i.e. the Siyems, Dolois and Sirdars continue to enjoy in the hierarchy their previous status of prestige and authority. Please set out the position clearly relating it to the ADC.	-do-
