62. Manipur has no Sixth Schedule ADC, but five district councils have been constituted under the Manipur (Hill Areas) District Council Act. How have these five district councils been functioning? What has been their role vis-a-vis the State Government?	-do-
63. Please give an account of the functions and performance of the five district councils.	-do-
64. It is sometimes mentioned that the frame of the district councils has been hamstrung by the procedures in the State Government. Please set out the views of the State Government in this regard.	-do-
65. There have been representations that the Sixth Schedule should be extended to hill areas districts and ADCs should be constituted under the Sixth Schedule, replacing the existing District Councils. The State Government would have considered the matter. The Commission would like to have their views.	-do-
