

6. What ailments and infirmities have been visited upon the tribal people as a result of excessive use of liquor, intoxicants, drugs etc. What measures have been taken to treat them?	There is no report of any ailments.
7. Have the State Government mounted a campaign disseminating the evils and adverse effects following consumption of intoxicants? If not, they might like to take it up in local languages as well as in English.	Anti-liquor Campaign are organized by the Health Department & NGO's from time to time for the awareness of tribals.
8. The PESA Act 1996 calls upon the State Legislature to ensure that the Panchayats at the appropriate level and the Gram Sabhas are endowed specifically with the power to enforce prohibition or to regulate or restrict the sale and consumption of any intoxicant. Does the State Panchayat law contain such empowerment? If so, please mention the concerned provisions. If not, do the State Government contemplate incorporating it?	PESA Act 1996 is not applicable to this UT as there is no Scheduled Area here. The tribal areas are exempt from the purview of the A & N Panchayat Regulation 1994. However, under the excise law the sale of liquor in the tribal area is prohibited.
9. If the State Panchayat law has been modeled as per the injunction of the PESA Act, have the Panchayats and Gram Sabhas taken action to enforce prohibition or to regulate or to restrict the sale and consumption of intoxicants? Has the action taken the form of administrative order or legislative steps? Please elaborate.	-do-
10. It is reported that the commercial vending of liquor continues in the tribal areas from shops located in small towns deemed to be non-tribal enclaves which work as conduit for the flow of illicit liquor to tribals. What is the position in your state? Has the Excise Department tried to put a stop to this practice? If yes, how many liquor contractors have been punished?	The guidelines of the Excise policy issued by the Govt. of India is being implemented in letter & Spirit.
11. What has been the impact of the aforesaid action on the village community or communities? In certain states, women have taken up the cause of temperance in tribal areas creating a wholesome impact. Has there been such a movement in your state also? Please describe.	Doesn't arise.
12. The provision in the PESA Act might necessitate amendment of other laws, rules etc. in the state. Has this been examined? If not, would the State Government consider its examination and appropriate action?	PESA Act is not applicable to this UT.
