

The Commission is required to submit its report within one year of its constitution. Therefore, it is absolutely essential that highest priority is given to this item of work. We shall be grateful to have the replies of your State/UT government to Vol.II of the States Questionnaire latest by 10th March 2003. As I have informed you in a separate letter, the Commission will be touring your State soon for detailed consultations and field visits. The progress in furnishing replies to the Questionnaire will also be reviewed during this visit.

Kindly let the Commission know at the earliest the follow up action taken by the State/UT government in this regard.

Regards,

Yours sincerely,
