MINUTES OF THE COORDINATION MEETING HELD IN THE CHAMBER OF
CHIEF SECRETARY ON 8th AUGUST, 2005

List of Officers, who attended the meeting, is enclosed in the Annexure

- 1) The Tribal Welfare Department was directed to examine the demands of Tribal Council to provide Cell Phones and motorcycle for tribal chief, to facilitate better coordination with Administration.
(Secretary Tribal Welfare)
- 2) It was noticed that industry department has not so far prepared the required profiles of occupants of temporary shelters to address livelihood issues and decide upon the training requirement of these people despite considerable time. This should be completed at the earliest.
(Secretary Industries)
- 3) The transfer of PWD land to Zilla Parishad/Gram Panchayat for the purpose of the market complex for Tsunami affected shopkeepers of Bambooflat should be expedited.
(Deputy Commissioner Andaman)
- 4) The Chief Secretary expressed his concern for the delay in the payment to Andaman & Nicobar Forest Plantation Development Cooperation. It was decided that the work at Car Nicobar, Hut Bay and Nancowary group of islands should be got verified from the SRO and the payment may be made by the PWD at the earliest.
(PCCF/Chief Engineer, APWD)
- 5) In order to address the sanitation problem in the intermediate shelters it was decided that the managing committees may engage two persons on daily rated basis and the payment will be made by the PWD.
(Commr.(PWD)/CE)
- 6) The Chief Secretary observed that the condition at Nazappnagar intermediate shelters is very bad. The CE was instructed to visit the camps on top priority. The Chief Secretary stressed that the PWD should interalia focus on the intermediate shelters at Port Blair, Little Andaman and Campbell Bay. The sanitation conditions at these camps need to be improved substantially
(Chief Engineer, APWD)
- 7) The Chief Engineer informed that as decided earlier the requirement of housing for Government servants and others from Police, Education, Agriculture, Electricity & Health was received and the order for Pre-fab structures has been placed to different firms on DGS&D rate contract. The other departments were requested to
