Shri XK Mahto, Secretary(Welfare) has already been briefed on the manner in which a detailed note is to be prepared for the visit of Shri Kameshwar Paswan, Vice-Chairman of the National Commission for Scheduled Castes & Scheduled Tribes from 15th January, 2000 onwards.

Separately, Secretary(SW) may go through the earlier message received from the Commission and let me know whether it is really possible to fly the Vice-Chairman over to Car Nicobar as desired by him.
