Vice Chairman of National Commission for SCs & STs along with other officers will be visiting these Islands in the second week of January, 2000. The exact date of their visit has not yet been fixed. I have already talked with Shri S.P Mouriya, Director of the Commission over phone and he has promised to intimate the exact date of the visit. I have also prepared a tentative tour programme for the Commission and faxed it to Shri Mouriya, Director.

The Commission will mainly discuss about the progress on implementation of the constitutional safeguards and socio-economic development programmes for the SCs and STs.

A write-up has been drafted and placed opposite may kindly see for approval.
