The Manager, Govt. Press has sent the copies of Notification on the Jarawa policy now. As such the letter proposed to be sent to the Manager and others is withheld. Since the proof reading has not been done by us, there is a necessity to compare the Jarawa policy finalized by the Govt. of India and printed copy of the Jarawa policy to find out the printing errors if any. As such please go through and put up quickly.

The matter is urgent. The Ministry of Home Affairs have sent a letter in this connection vide page 45/C which needs to be dealt promptly.
