13.	Medium and large scale industries can function provided they import the entire requirement of wood and other raw materials from mainland or abroad, and no subsidy is to be allowed to them	Some industries may close down.
14.	No timber either as logs or sawn timber or plywood/veneer or in any other form should be transported out of the islands -except personal baggage of wooden handicrafts by tourists or personal articles by those permanently leaving the islands -except wood-based industries importing its entire wood and raw material requirement who can export their finished products	The incidental sizes and short lengths, which do not have market in the islands will accumulate in the mills.
15.	No further regularization of encroachments or allotment of forest land for agricultural or horticultural purposes	This will be as per the policy of the Govt.
16.	All Pre-1978 encroachers to be given 3 months' notice to vacate their encroachments and shift to the allotted land failing which their allotment is to be cancelled and forcibly evicted within 3 months without any further claim to land or any form of rehabilitation.	Revenue dept. has to take action. New type of sinivicultural system Management practice to be evolved
17.	All Pre-1978 encroachers who have occupied more land than they are entitled to, to be given 3 months' notice to vacate the extra land and in case of non-compliance, allotment to be cancelled and they are to be forcibly evicted within 3 months within any further claim to land or compensation	Revenue dept. has to take action.
18.	All Post-1978 encroachments to be completely	This requires change in the policy of the
