			<p>Accordingly, we direct Mr. Gopal Chand W. Katar, the Chief Engineer, APWD, Port Blair to visit the bhandhs in question and he shall be assisted by the Superintending Engineer of his charge at the time of his visit. Before his visit, he shall notify the learned counsels for the petitioner as well as the learned counsel for the Zilla Parishad and their expert engineers will also be present at the site to be examined in question. He shall submit a report whether the purpose for which the bhandhs are rebuilt is to cater the prime need of the people of that area or not. Such report shall be submitted on the next date of hearing of this matter. If he thinks that the experts of the Border Road Organization are to be consulted, then he may do so. However, it is his absolute discretion.</p>
