

standard of living and to improve the health.

otherwise that will be violative of Article 14.

21, 39, 47 & 48A of the Constitution of India.

10. Your petitioner states that it is not that

the JARAWAS today are unable to understand Hindi

rather they are very quickly grasping Hindi

language as it is seen that they are enjoying

singing Hindi songs. It is also learnt from

various incidents that they are showing

willingness to work for ruin of food and this is

high time to train them for a normal civilized

life but within their habitat and for which there

are already Andaman Andim Jan Jati Samiti.

Anthropological Survey of India, Bush police who

by way of arranging camps and staying there with

them can do the needful having sufficient funds

for the purpose, providing them necessary food,

water, medicine and thus introducing them with the

civilized way of living in a better way.

11. Your petitioner states that most surprisingly

even lapse of 7 to 8 months of their coming out no
