

effective steps have yet been take by the respondent department at least to ameliorate their sufferings. Being a conscious civilized person of the society, your petitioner apprehend until and unless an effective measure be adopted by the Administration, the JARAWAS who are human being will forced to become beggar and / or trouble maker to the society itself or will extinct from this world.

(12) Your petitioner states that it is pertinent to mention here that the Onge and the Andamanies are other two notified tribes who have been provided all necessary facilities of modern life within their own habitat. Andamanies are being given such facilities in Strait Island and Onge are getting that in Debong creek, Little Andaman. In this way their originality is protected and at the same time they are not cut off part of the society. As such it can safely be said that the Administration is fully aware and equipped how to meet the challenge of rehabilitation of JARAWAS and it appears that there is lack of will only on the part of Administration to do so.
