

No doubt the Jarawas come occasionally on to ATR and stop vehicles, but that has been controlled as a result of regular patrolling by staff of AAJVS and the Jarawa Protection Posts apart from restricting movement of vehicles in convoy. The general public has been very rightly restrained from gifting any food articles to the Jarawas as they may contract diseases by consuming the modern man's foods.

The Jarawa reserve area is protected guarded by the Jarawa protection police who have been deployed at different strategic locations.

spaces in their area.
that have been planted with the participation of the Jarawas in open their traditional habitat. Saplings of banana, coconut, guava, papaya etc. integration and not assimilation or regrouping in areas removed from Central Institute of Indian Languages, Mysore, creation of local mechanisms and so on taking great care to push towards gradual association of the ASI, extension of medical attention, association of the Jarawas not only through the contact missions, but through Administration has been actively involved in catering to the felt needs that the Administration is unaware of the situation. In fact the That the averment made in paragraph - 9 is denied. It is strongly denied
