The proposal of NYK is very good. But they require some sort of training & knowledge. A.S.I. can give them training. I have also asked D.Y.C., NYK, to help in the proposal. Para-97 is approved. Para-98 is also approved.

- Immediately what we should do - Staff of AAJVS along with A.C. (TW) / E.S. AAJVS should organise public awareness campaign in most sensitive places with the help of Panchayats. In these meetings I would like to participate as I did previously. We should organise these meetings with the help of local people, police & govt. officials etc.
