

However, it will be the endeavour of this

Administration to extend to them medical assistance whenever this is felt to be necessary. This aspect cannot be ignored

and shall continue.

The Enmaya factor is being further evaluated. To some extent this factor is in bringing other Jarawas out of the

contrabuttry factor in bringing other Jarawas in South Andaman, who were very fond of this hospitalisation and therefore, may have been a factor in some extent he has also been the go between in Jarawa dealing with the Jarawas in South Andaman, who were very fond of this vocabulary. With the middle of last year, the Enmaya Link should be

hostile till the middle of last year. The Enmaya Link should be maintained and not allowed to be snapped entirely. The Central Institute of Indian Languages at Mysore has attempted a small dictionary of Jarawa vocabulary. This vocabulary will be imitated to selected officials of the task force as also social workers of the Andaman Administration. Jarawa vocabulary will be imitated to selected officials of the task force as also social workers of the Andaman Administration. Jarawa

separately in the non-tribal settlements on the same line. Separately people in the non-tribal settlements on the way of life, without any intrusion from the civilised world. Instruction on the importance of preservation of the Jarawa

periphery of the protected areas are being imparted to the expatriates by various NGOs abroad as also on the mainland criticising or questioning the policy of
