Subject: Release of financial assistance under the scheme of Development of Primitive Tribal Groups during 1999-2000

Sir,

I am directed to refer to this Ministry's letter of even number dated 5.1.2000 on the subject mentioned above and to say that the necessary clarification with regard to (i) the recurring cost of running of the hospital to be borne by UT Administration and (ii) justification on all components of the proposal regarding staging posts for the protection of Jarwas has not yet been received despite the lapse of a period of two months. It is requested that the requisite clarification may kindly be furnished at the earliest so that the proposal of the UT Administration for financial assistance could be processed at the earliest. If the reply of the UT Administration is not received latest by 12.3.2000 it would be presumed that the UT Administration is not interested in getting the financial assistance.

Yours faithfully
