of Buffer Zone. Director (T.W.) along with his staff and Revenue Authorities have resurveyed the concerned area and map has been prepared, in which the Xalxo Resort has been shown lying outside the 5 km ^{Buffer} Zone, by a distance of about 430 mts. (Map at Flag 'B') Apart from this statement, on the issue of notifying amendment to the PAT, 1956, Regulation, S.C has granted of eight weeks time to get direction from the Government / MHA, which has the authority for making an Amendment. Based on the Solicitor General letter at Flag 'C' (page 164/c), we have written to MHA for bringing out the amendment vide letter dated 16th March '2011 at Flag 'D': (page 171/c). Reminders have been sent to MHA vide our letter dated 21st April 2011 (page 189/c, Flag 'E'). So far no communication has been received from MHA. Considering the short time left for the next hearing on 4th May '2011, we may seek extension of time for getting suitable direction from the govt on the amendment proposed to the PAT, 1956 regulation. We may however file a statement on the Xalxo Resort that it is outside the 5 km Buffer Zone.
