

ACTION PLAN**B. LONG TERM****(a) SETTING UP OF TOURISM CIRCUITS:**

More sites will be identified in outlying islands for development of tourism circuits as per emerging trends in tourism and the required Infrastructure will be set up in such sites.

(Time frame: By 2015)

(b) DEVELOPMENT OF 36 BEACH SITES

The existing tourism infrastructure shall be strengthened at par with international standards. The Administration will attract private investments as per prevailing policy of the Government of India and also continue with Public – Private Partnership initiatives. The potential areas for FDI / PPP mode are in hotels, resorts, water sports, and eco tourism. To achieve this objective, 36 beach sites spread over 15 islands, will be appropriately showcased to attract tourism investments. The list of identified beach sites is as below :
