NOTE

The case on 4th May 2011 in the Supreme Court came up for hearing and the respondent asked for extension of date and next hearing will be held after summer recess of Supreme Court in July 2011. The proposed amendments to PAT Regulation have been sent by MHA to the Law Ministry for comments. We have to pursue with the Ministry of Home Affairs to get the status and in the mean time prepare a draft Cabinet Note for the proposed amendment.

The IDA meeting is proposed to be held on 15th June 2011. We need details of Buffer Zone such as number of villages affected, area of such affected villages, percentage of Buffer Zone falling in closed proximity to ATR and revenue areas and percentage of Buffer Zone falling in Reserved Forest area. We also need a clear map showing these aspects, locations of existing/closed Tourists Resorts within the Buffer Zone and other details.
