Para 132/n We may seek report from Police
4 133/n Dept about the latest position on the video footage telecasted on various channels, as sought by the S.C. in today's hearing, about which we got information very late. So far no order on the appointment of Court Commissioner in the previous hearing held on 24th Nov. 2011 has been issued. We may ask DRC to brief the Addl. S.G. as we may not be able to depute senior officer due to the visit of Hon'ble Home Minister from 21-23. Alternatively we may depute a senior officer from Police Dept.
