the buffer zone restrictions. I am informed that so far as the settlers are concerned, they have been there for generations and all activities connected with their day to day activities are taking place there. I take it that this will be adequately addressed by the amended regulation.

This letter is being written to emphasise the urgency of the matter and to urge you to take prompt steps to obviate the need for the Hon'ble Court to initiate any contempt proceedings.

Yours faithfully

16/11
