(22) The location of Xalxo resort- after demonstration by using the DGPS reading, to obtain the latitude & longitude of the location & detail survey conducted using Electronic Total Station (latest survey equipment), plotted on the Google map. The location of the ^{revenue} village where the resort is located is superimposed on the Google map & from the map it can be seen that the physical feature of revenue map such as village road matches with that of road shown in the Google map meaning thereby the super imposing is correct.

The distance of Xalxo resort-
