

is measure from the nearest
Trompsburg Reserve taking the
first boundary on base (by
approximation) to the Gravel,
which curves approximately
5 km ± 432 mts.

The settlement staff of

Dith office for about this

questioned. Since it is the only

document provided say that

it has to be produced

before Supreme Court - on the

next morning.

Gravel

5 km line is to be drawn from
the nearest / perpendicular point on the
Trompsburg Reserve boundary, the other
way round then on a line in the
map. Then Koko Road will
fall 430 mtr outside the 5 km
Buffer Zone, which we have already
informed the Marble Court. It is drawn
on map.
