Baratang forest division is one of the eight territorial divisions functioning under department of Environment and forest. The scientific management of forest falling within the jurisdiction of Baratang division is carried out according to the prescription made in the working plan for the period from 2006-2016. Which was approved by the *central empowered committee* (constituted by the Hon'ble Supreme Court of India) vide No.2-14/CEC/SC/2005 dated 15.10.2007. As per this working plan there are *eight working circle and three overlapping working circles* to achieve basic objectives of scientific management.

The tribal buffer constituted recently has covered almost half of the Baratang Forest division. And as such large portion of the working circles and ^{jellery} periodic block falls inside the buffer zone. In these working circles and ^{jellery} periodic block, silvicultural
