

The Anthropologist Officer informed that underhand barter systems are going on between the Jarawa and settlers. Even the Jarawas are making overtures to settlers. The officials noted that uniform Buffer Zone all around the Jarawa reserve will adversely affect the settlers. It could be according to ground realities. While visiting the buffer zone the interests of both Jarawas and settlers are to be taken into account.

All the members were requested to send their further inputs/comments containing by 8th of this month.
