पोर्ट ब्लेयर

PORT BLAIR

पोर्ट ब्लेयर दिनांक 31st जनवरी, 2013

As desired by SP(Security) a CCTV with 03 Nos. Cameras have been installed at the entry and exit point at JPP Jirkatang to record the vehicular movements of convoy proceeding towards Middle Strait and back to Port Blair.

One camera will focus on the number plate of the vehicle and Second camera will focus on the persons sitting in the vehicles. The entire process of convoy has to be video graphed. Necessary training for handling and monitoring of CCTV has been imparted to Incharge, JPP Jirkatang along with the staff of JPP.

Incharge, JPP Jirkatang will be responsible for maintaining the day to day recording and keeping data storage, proper handling and monitoring of CCTV. In case of any Technical fault, it should be brought to the notice of Inspector Security Cell for rectification.

A soft copy of data is to be handed over to SP(D)SA fortnightly. If the memory of the hard disc (depending on the capacity) is full, then the hard disc is to be replaced with a new hard disc and the hard disc containing data is to be handed over to SP(SA). The data contained in the hard disc is to be erased only after obtaining permission from SP(SA) for re use.
